2013 Annual General Meeting

The Faculty's 2013 Annual General Meeting will be held on 15 May at 3 30 pm at the Royal College of Physicians, London, NW1.

One item on the agenda will be the Faculty's current work with the Society of Occupational Medicine towards the creation of a single organisation and we hope that members will attend to participate in the discussion so we can explain the progress so far and hear your views.

The 2012 Annual Report and Accounts will be available shortly in the members' area.

Access to this and other relevant documents is restricted to members of the Faculty of Occupational Medicine. These are available in the members' area of the website (under Information for members/Annual General Meeting), via the [member login](#).

The AGM is held on the same day as the Faculty's Annual Scientific Meeting and Annual Dinner for which places are still available.

Please book using the [registration form](#) by **12 noon on Tuesday 7 May** at the latest.
