Single organisation update - New FAQs and Webinar reminder

Webinar 29 October 5-6pm

It is not too late to register for the webinar on 29 October - please respond by 5pm on 28th if you would like to attend.

Thanks to everyone who has already attended a meeting - either in person or online via the webinars - the events have generated lively debate and we have had excellent informative feedback. As a result, the working group has published [answers to some of the questions that have been frequently asked \(FAQS\)](#).

Meeting with members about the single organisation - Leeds

As part of the road show to discuss the proposed single organisation, the working group will be encouraging Faculty members in the Leeds area to attend a discussion hosted by the Society of Occupational Medicine Yorkshire Group. This will be held on 20th November in Leeds and further details will be available shortly.

If you would like to ask another question or attend the next webinar email contactus@singleorg.co.uk.
