Launch of SEQOHS: new UK accreditation system for occupational health services

The Faculty has launched SEQOHS, the new accreditation system for occupational health services. SEQOHS was launched by Dr Kit Harling of the Department of Health at a packed Faculty conference on 1st December. Further information can be found at <http://www.facocmed.ac.uk/news/index.jsp?ref=344>.

With best wishes

Nicky Coates
Chief Executive
