EPICOH 2011 - deadline extension

Message from Dr Katherine Venables FFOM

Dear colleagues

The EPICOH 2011 organising committee is delighted to tell you that over 300 abstracts have already been submitted - even before submission had closed. We write to announce that we have **extended the abstract deadline to 4 April 2011** because of the high level of interest in EPICOH 2011. With our excellent keynote speakers and varied minisymposia, this is going to be a very good conference in the beautiful ancient university town of Oxford. We welcome you to come and discuss the latest occupational epidemiology.

If you missed the first deadline, please submit your abstract now. If you have already submitted, you can still access the online system to make updates to your abstract. We will send decisions and the draft programme by **20 May 2011**. The earlybird registration deadline is **30 June 2011**. Registration is available from £320. More details on <http://epicohoxford2011.org.uk> and <http://www.epicoh.org/>. Please circulate this announcement widely to your networks, colleagues and students. Very best wishes

Katherine Venables (Conference Chair) and Anna McNeil (Conference Administrator)

With best wishes

Nicky Coates
Chief Executive
